

***In response to the Covid-19 pandemic, the state and federal courts in Maryland, the District of Columbia, Virginia and West Virginia have been closed for the next several weeks. We will continue to monitor this situation and share updates as necessary.***

***With the impact of the coronavirus (COVID-19) disrupting so much of our daily lives, on behalf of our Firm, I wish to assure all our clients that Semmes continues to work on all client matters, even though our attorneys and staff are either working remotely or soon will be – in adherence with the recommendations from the World Health Organization, the Center for Disease Control and local health authorities. Semmes has implemented a plan that ensures our Firm's continued operation and uninterrupted service to our clients. We will be available to timely assist, provide counsel and handle new matters or address client needs as requested and required. Regardless of how long this crisis lasts, Semmes will have ample resources to service our clients, while at the same time keeping our employees safe.***

***Please do not hesitate to contact the Semmes attorney(s) with whom you work if you have any questions or concerns. Our attorneys will continue to be accessible via e-mail and phone. All attorney contact information is available on the attorneys page.***

***We look forward to continuing to serve you, and we wish safety and good health to everyone. Let's stay safe. Together, we can get through this!***
